

THE RIVERVIEW SCHOOL DISTRICT AMBASSADOR PROGRAM

Why a Riverview Ambassador Program?

The purpose of the Riverview School District Ambassador Program is to gain a deeper understanding of the day-to-day operations of the school district. People who complete this program become Riverview ambassadors in the community, which leads to better communication and understanding of the Riverview School District. This program includes information on leadership, communications, strategic direction, educational programs, student services, technology, human resources, facilities, operations and school finance.
